### PERMIT CONDITIONS

**Please note that the import requirements and approved commodities listed below are subject to change at any time during the duration of this permit. Please refer to the USDA-PPQ Port Program Manuals at [http://www.aphis.usda.gov/import\\_export/plants/manuals/ports/index.shtml](http://www.aphis.usda.gov/import_export/plants/manuals/ports/index.shtml) for the current import requirements for the commodities you are importing.**

This permit authorizes the importation of the listed articles, under the conditions specified below. A copy of the first page of this permit must accompany all shipments authorized under this permit. For additional questions concerning this permit, call the PPQ automated phone system at: 1-877-770-5990.

This APHIS-issued import permit only covers compliance with APHIS regulations and requirements. Therefore, this APHIS permit for the commodity to be imported does not reduce or eliminate the permittee’s legal duty and responsibility to likewise comply with all other Federal and State regulatory requirements applicable to the commodity to be imported.

Genetically engineered plant materials regulated by 7 CFR Part 340 must be imported with a valid APHIS 2000 Permit or Notification. Please call (301) 851-3935 or email [Biotechquery@aphis.usda.gov](mailto:Biotechquery@aphis.usda.gov) for more information.

The importer or designee is responsible for confirming with CBP and PPQ at the destination port in advance of each shipment, that CBP and PPQ has the capacity to clear or handle permitted air, land, and maritime cargo shipments, including bulk, mail, and express consignment shipments.

The permittee is the legal importer of an article and is responsible for complying with the permit conditions. The permittee must be at least 18 years of age and have and maintain an address in the United States that is specified on the permit and be physically present during normal business hours at that address during any periods when articles are being imported or moved interstate under the permit; or If another legal entity, maintain an address or business office in the United States with a designated individual for service of process; and serve as the contact for the

purpose of communications associated with the movement of the regulated article for the duration of the permit.

Any person who violates the Plant Protection Act (PPA) of the United States, individuals or corporations who fail to comply with these conditions and authorizations, or who forge, counterfeit, or deface permits may be criminally or administratively prosecuted and found guilty of a misdemeanor which can result in penalties, a one-year prison term, or both. In addition, all current permits may be cancelled and future permit applications denied.

**Shipment Details:**

The shipment must be free from soil (unless authorized), prohibited plant materials and plant parts, other regulated foreign matter or debris, and quarantine living organisms such as parasitic plants, pathogens, insects, snails, and mites.

If the official personnel find that the shipment requires treatment as a condition of entry, is contaminated with a quarantine plant pest or pests, is commingled with a prohibited plant material, or if required documentation is incomplete or missing, they will order the least drastic action, which could be approve treatment, re-exportation or destruction of a shipment, a portion of a shipment, or any other material associated with the shipment (i.e. pallets, packaging, means of conveyance) Noncompliant shipments will be treated, re-exported or destroyed, at the consignee’s expense.

If fumigation is required, and plastic wrappings such as cellophane, films, and shrink wrap; and papers that are waxed, laminated, or waterproofed are used for wrapping must be perforated, removed, or opened before fumigation. If wrappings are perforated to facilitate fumigation, holes should be at least 3/16-inch in diameter every 3 square inches or ¼-inch in diameter every 4 inches over the entire surface of the wrapping.

All Wood Packing Materials (WPM) with the shipment are subject to ISPM 15 treatment and IPPC stamp requirements.

Any person who violates the Plant Protection Act (PPA) of the United States, individuals or corporations who fail to comply with these conditions and authorizations, or who forge, counterfeit, or deface permits may be criminally or administratively prosecuted and found guilty of a misdemeanor which can result in penalties, a one-year prison term, or both. In addition, all current permits may be cancelled and future permit applications denied.
